About Stern Graff: Integrated Professional Services

Global Mindset

We are part of an international alliance to help our clients to have international aspirations to grow and be all they can be.

A Dedicated Team

Experienced professionals laser-focused on delivering exceptional client service and building strong partnerships.

Unwavering Support

Strategic guidance to help clients achieve financial goals and unlock business potential.

Forward Thinking

We are always thinking ahead of what comes next to help you manage risk and remain successful despite current and any possible future challenges.

Technology-driven

Embracing and keeping abreast of cutting-edge technologies and innovative strategies to help automate your business.

Professional Care and Duty

Registered firm with over a decade of experience, backed by comprehensive professional indemnity coverage.

Comprehensive Services

End-to-end accounting and business advisory solutions tailored to modern challenges.

CSR and Local Content

We are focused and have in place robust CSR and local content policies and initiatives. Our concept of business is more than just about financial reward.

The SME Business Centre: Toolkits and Manuals for Growth

Practical Resources

Our SME Business Centre provides comprehensive toolkits and manuals to support small and medium enterprises (SMEs) in areas like finance, operations, and marketing.

Expert Guidance

These resources are designed to empower SMEs with the knowledge and tools they need to grow their businesses and succeed.

Start-up Business Incubation

The SME Business Centre provides invaluable support to entrepreneurs and business owners, helping them navigate challenges and giving them a cost-effective incubation environment to grow in.

The SG Institute: Research and Training for Success

Research

The SG Institute conducts industry-leading research and analysis to provide insights on emerging trends and best practices.

Training

We offer a range of tailored training programs to help individuals and organizations develop their skills and expertise.

Development

The SG Institute is dedicated to fostering professional growth and innovation within the accounting and business advisory industries.

Unique Service Proposition: Compliance, Performance, Strategy

Compliance

Ensure your business operates within legal and regulatory frameworks with our comprehensive compliance services. Billed based on deliverables not time.

Performance

Boost your business performance with our financial reporting, tax planning, and internal control solutions. Billed as a function of and based on visible impact of our work.

Strategy

Develop and implement strategic plans to achieve your business goals with our expert guidance and advice. Billed based on time not retainer basis.

Value-add of top 4 level quality at lower fees and billed based on fee structures that match the service category.

Business continuity and founder estate and exit planning

1

Asset Protection

Secure your assets and ensure a smooth transition for your family with our comprehensive estate planning services.

2

Tax Minimization

Minimize tax liabilities for your heirs with our strategic estate planning solutions.

3

Peace of Mind

Gain peace of mind knowing that your legacy is protected and your family is taken care of.

Serving the Community: Social Impact Initiatives

The Stern Graff Advantage: Trusted Expertise, Innovative Solutions
